## IS IT A TV? OR SOMETHING BETTER?

You want a better, crisper, more dazzling picture? Well that's what you'll get, along with a whole lot more, when you purchase the LV2500. LG's LED display technology makes it beautifully slim with a picture to match, and all in stunning HD. It's nice to get what you want.

LG's LED technology provides a slim profile and delivers amazing brightness, clarity and color detail, as well as greater energy efficiency compared to conventional LCD TVs.

See and experience more. Pictures are sharper. Colors are more vibrant. Entertainment is more real. Everything looks better on an HDTV.

Earning the ENERGY STAR means a product meets strict energy efficiency guidelines set by the US Environmental Protection Agency and the Department of Energy.

LED LCD TV
