

NEC ASPV32-AVT

The ASPV32-AVT 32" AccuSync Multimedia 720p LCD TV from NEC combines the best of computer displays and HDTVs, making it ideal for restaurants, bars, hotels, lobbies and conference rooms. This 32" has 720p resolution, 5000:1 contrast ratio, and wide viewing angles. The integrated HD tuner will make it easy to receive terrestrial HD broadcasts. AccuSync displays feature connectivity for HDMI and DVI with HDCP support, plus VGA, component, composite and RS-232 for external control. Powerful, realistic surround sound is provided by the TruSurround XT speaker, which is bottom mounted and detachable with a 7-band EQ and automatic volume leveling.
