

Samsung 400FXn

Get the features of a professional-level LCD display, without having to pay for features you'll never use. Featuring slim connectivity, the SAMSUNG 400FXn 40" LCD display offers the most popular connection options. Perfect for the education and business markets, connections include VGA, DVI, CVBS and HDMI, so you can connect a PC or digital video device without worrying about compatibility issues or signal loss. A built-in PC adds networkability and easy content control. Full HD 1080p and 40,000:1 dynamic contrast ratio ensure clear, sharp images filled with detail. And built-in speakers add convenience. The SAMSUNG 400FXn 40" LCD display.
