

Samsung 40MXn

People will stop and stare when they see your message on this 40" LCD display. The 3000:1 contrast ratio delivers sharp details and the 178° viewing angles means your message is always seen. The 40MXn also features a built-in PC, so you don't need a separate media player. And MagicInfo™ Pro makes the 40MXn LAN and WAN compatible. It's easy to make your message a showstopper, with the 40MXn 40" LCD display
