

400FP-3 • 460FP-3

40" and 46" Commercial LCD Displays

The first message it delivers to your customers:
Quality.

Leading-Edge Panel Technologies

Samsung is the largest manufacturer of LCD panels in the world. Our exclusive panels deliver sharp, colorful panels that are perfect for displaying breathtaking graphics and clearly legible text, which reflects well on your business or organization.

Crisp Full HD Motion Graphics and Natural Color

The 400FP-3/460FP-3 displays feature 1920 x 1080 high-resolution LCD panels, 450 nits brightness, 8ms response time and 10,000:1 dynamic contrast ratio, for impactful motion graphics full of sharp detail.

Versatile Connectivity

The Samsung 400FP-3/460FP-3 feature broad connectivity, including DisplayPort (for easy high bandwidth connectivity), HDMI, RJ45 LAN, DVI, VGA and Composite.

Optional Integrated PC Module with MagicInfo Software

Add an optional Samsung SIM-NT integrated PC module to the 400FP-3/460FP-3 expansion slot for easy content control of multiple monitors via network.

Integrated Speakers

Built-in 10W stereo speakers complete the multimedia experience without having to purchase or wire external speakers.

Energy-Efficient

Samsung is committed to creating more efficient, more environmentally conscious technologies. From manufacturing to shipping to the way your product operates, we're always looking for a better way of doing things.

Whether you're highlighting menu items, showcasing the latest fashions or displaying travel information, the quality of your display reflects the quality of your business. And when you choose a Samsung FP-3 Series display, your business will be held in the highest regard. The Samsung FP-3 Series offers every business commercial-grade reliability at an accessible price. With Samsung, you'll always look your best. **Business. Innovated.**
