

Samsung 460TSn-2

The Samsung 46" 460TSn-2 LCD Touch Screen display features fast, accurate touch-sensitive infrared (IR) technology. With a fast screen response time, users can get the information they need with just the touch of a finger. The touch-sensitive displays are protected by a sheet of protective glass, so your touch screen display will deliver information for years to come. Full HD 1920 x 1080p resolution allows you to display the highest resolution content. And scheduling and controlling content is made simple with the built-in PC and proprietary MagicInfo™ Pro software.

Display
