

700TSn-2

70" Touchscreen LCD Displays

The SAMSUNG 700TSn-2 70" LCD touch screen display takes communication to an interactive level. The 700TSn-2 is a simple, integrated solution, featuring fast and accurate touch-sensitive infrared (IR) technology. With a fast screen response time, users can get the information they need with just the touch of a finger. The touch-sensitive display is protected by a sheet of protective glass, so your touch screen display will deliver information for years to come. And scheduling and controlling content is made simple with a built-in PC and proprietary MagicInfo™ software. The SAMSUNG 700TSn-2 70" LCD touch screen display.
