

BX2440X

SyncMaster™ 24"

Widescreen Monitor

Presenting high performance monitors that suit your vision and your budget. The BX2440 is stylishly designed with ultra narrow bezels and a height adjustable stand for improved viewing comfort. A high dynamic contrast ratio and fast response time ensure vividly clear images and motion graphics. Exclusive Magic technologies enhance productivity: MagicReturn saves dual-monitor users time by shifting content from one screen to the other when one's turned off. MagicEco reduces energy consumption by auto-adjusting brightness and MagicAngle delivers crisp, bold images from every angle. No matter how you look at it, your outlook is bright with the Samsung BX2440 LCD display.
