

Samsung 37" LN37C530

If you don't quite have room for a 40" TV, Samsung's 37" LN37C530 is a great solution. Full 1080p screen resolution ensures that you'll see every detail in every high-definition show you watch. The built-in tuner receives free over-the-air broadcasts, including those in HD (antenna required). And if you're a cable TV subscriber, you can take advantage of the built-in digital cable tuner to view unscrambled channels *without* the need for a separate set-top box.
