

Samsung UN40B7000

Samsung ultra-slim LED TVs combine breakthrough picture quality, eco-friendly design and advanced connectivity options that will keep you entertained 24/7. Including Internet@TV that allows you to receive content via Yahoo!?, Flickr?, and other online TV Widgets on screen. USB 2.0 Movie: Multi-Media Centre makes it easy to watch movies, browse photos and listen to music on your TV. The Samsung LED TV also makes it easy to be green with up to 40% less power. Consumption than conventional LCDs.
