

Samsung UN46C6300

Discover a picture that's visually stunning with the UN46C6300 LED TV. Like to multitask? Now you can do it all right from your Samsung TV. Samsung 6500 and 6800 televisions feature web-connected Samsung Apps, which let you stream movies, play games, flip through photos, and more while you watch your favorite television shows. And Samsung Real240Hz™ virtually eliminates all motion blur so your 1080p high definition picture is remarkably sharp. Add a 4,000,000:1 Mega Dynamic Contrast Ratio and you're ready to step into seriously mind-blowing home entertainment.
