

PN42C450

42" 720p Plasma HDTV

Introducing a plasma television that delivers enough thrills to impress everyone. The Samsung PN42C450 Plasma television features a high-contrast picture packed with the brightest whites, deepest darks and rich colors. That amounts to a seriously beautiful picture from every angle. And high-speed car chases are realistically smooth with 600Hz Subfield Motion. Experience a plasma TV that will truly immerse you in everything you watch. Simply put, it's Plasma TV reinvented.
