

PN50C550

50" 1080p Plasma HDTV

The PN50C550 plasma HDTV grabs your attention even when you're not watching TV. Its unique Touch of Color™ design turns it into a beautiful work of art while 1080p high definition turns images into film-like picture quality. Plus e-panel technology lets you watch clear, blur-free action packed sports and movies. Enjoy a more realistic, thrilling movie night at home with this Samsung plasma HDTV.
