

Samsung PN58B550

The PN58B550 plasma HDTV is perfect for action-packed sports and movies. It uses new e-panel technology which reduces blurring and produces crisp, clear images. And 1080p high definition brings out the brilliance and clarity in everything you see. Plus its unique Touch of Color™ design turns it into a beautiful work of art. Enjoy a more realistic, thrilling movie night at home with this SAMSUNG plasma HDTV.
