

Samsung PN63B590

Add a new centerpiece to your living room with the PN63B590 plasma HDTV. Its impressive 63" size and amazing 1080p picture quality turns will grab the attention of every audience member. Exclusive Samsung Touch of Color™ design adds a subtle clear-to-charcoal gray accent to the bezel and breakthrough 2,000,000:1 dynamic contrast ratio produces a more accurate color tonal range with deeper blacks and shadow details. New E-Panel technology features our innovative FilterBright™ technology which reduces glare in bright rooms and our crystal full HD engine brings picture quality to new levels of excellence.
