## **Sharp's Description**

The Sharp PN-S525P offers the same high performance, image quality and resolution as the Sharp PN-S525 with the addition of an integrated protective acrylic overlay. With full 2-megapixel 1920 x 1080 HD resolution and compatibility for use in both "portrait" and "landscape" applications, the 52" class (52-1/32" Diagonal) PN-S525P is perfect for high traffic information display and digital signage applications.
