

Sharp TL-M5200

The **TL-M5200 1080p Professional LCD Monitor** from **Sharp** is ideal for commercial applications such as teleconferencing, CAD/simulation, digital signage, corporate, educational, training, hospitality, sports arenas, entertainment and house of worship. This 1080p display uses proprietary technology for crisp text with less burn-in or bright pixel illumination. The TL-M5200 resides in slim, low-profile fan-less cabinet for easy installation. Multiple options for connections include RS-232, RJ-45, HDMI, VGA and S-video inputs plus RGB outputs and speaker outs each powered by 15W for the optional AN-52SP2 stereo speaker system. If you are looking for large 1080p display, the TL-M5200 is an obvious choice.
