

## Enjoy awesome entertainment— and all-in-one convenience

Toshiba's 24" class SLV411U provides excellent HD viewing, outstanding sound and renowned Toshiba innovation—without the clutter.

Discover all-you-want entertainment plus all-in-one convenience with Toshiba's 24" class SLV411U LED DVD Combo HDTV. With its ultraslim profile and built-in DVD player, this set is ideal for kitchen or bedroom settings where extra cables and components are a no-go. And a convenient PC input makes it easy to present home media or use the TV as a bigscreen monitor. Packing great Toshiba quality, reliability and innovation, the SLV411U offers excellent imagery and sound in up to 1080p full HD. While our exclusive DynaLight™ backlight control selectively punches up blacks and reduces highlights for a more balanced, true-to-life picture. Looking for a TV that plays DVDs as well as excellent entertainment? Choose Toshiba's 24" class SLV411U LED DVD Combo HDTV.

### Key Features:

#### 1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

#### Built-in Combo DVD Player

Set yourself free with all-in-one convenience. A built-in DVD player means no wires, no clutter, and no fuss. Streamline your entertainment and easily pop in your favorite DVDs, transforming your living space into a mini-home cinema.

#### DynaLight™

Increase detail and depth of the images on your screen with DynaLight™, a technology that monitors the brightness level of each video frame, even in low light settings.

#### USB Connection

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.
