

Enjoy awesome entertainment— and all-in-one convenience

Toshiba's SLV411U provides excellent HD viewing, outstanding sound and renowned Toshiba innovation—without the clutter.

Discover all-you-want entertainment plus all-in-one convenience with Toshiba's SLV411U LED DVD Combo HDTV. With its size—32" class plus its smart, ultraslim profile and built-in DVD player, this set is ideal for kitchen or bedroom settings where extra cables and components are a no-go. And a convenient PC input makes it easy to present home media or use the TV as a bigscreen monitor. Packing great Toshiba quality, reliability and innovation, the SLV411U offers excellent imagery and sound. While our exclusive DynaLight™ backlight control selectively punches up blacks and reduces highlights for a more balanced, true-to-life picture. Looking for a TV that plays DVDs as well as excellent entertainment? Choose Toshiba's 32" class SLV411U LED DVD Combo HDTV.

Key Features:

720p Resolution

With almost 1 million pixels available, 720p resolution helps breathe new life into your favorite programs, movies and games.

Built-in Combo DVD Player

Set yourself free with all-in-one convenience. A built-in DVD player means no wires, no clutter, and no fuss. Streamline your entertainment and easily pop in your favorite DVDs, transforming your living space into a mini-home cinema.

DynaLight™

Increase detail and depth of the images on your screen with DynaLight™, a technology that monitors the brightness level of each video frame, even in low light settings.

USB Connection

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.
