

CD4225

42" COMMERCIAL LCD DISPLAY

Crystal Clear Large Format Digital Signage

ViewSonic's 42" CD4225 Commercial Display features a sturdy bezel in a robust, all-metal chassis that is ideally suited for installations in public information applications. The high brightness and contrast ratio make this display ideal for messaging in brightly lit rooms or in outdoor sun filled installations. The ultra fast 5ms response time delivers blur free scrolling text or video. HDMI inputs and VGA, DVI and RS-232 inputs/outputs allow you to daisy chain multiple displays into your network and still control each display individually. 1080p resolution creates crystal clear images for movies, internet pages, PowerPoint, flash, and much more with ultimate HD clarity. Display your vivid graphics and stunning video with this bright and high contrast screen.

- > 1080p 5ms panel for vibrant video and crisp images
- > High brightness and contrast ratio
- > RS-232 daisy-chain capable
- > VGA and DVI inputs/outputs for flexible connectivity and control
- > Remote and panel control lock out
